ESTABLISHMENT DETAIL

Posted Fire Occupancy _____
 Estimated Occupancy 300
 Estimated Size of Crowd 30

Neighboring Business #1: Valero Gas

Neighboring Business #2: Burke Food Mart

Neighboring Business #3: Activity Center

Describe type of décor, distinctive decorations, fixtures, establishment themes, game machines, and unusual occurrences that evening (if any):

Da Stadium Sports Bar is a one story open layout sports bar with live entertainment, DJ and Karaoke weekly. Video games, dart boards, pool tables, dancing, and food are all available at this establishment. College sports flags decorate the walls with Tv's broadcasting sports with volume off during my visit. My bartender Natalie informed me of an estimated occupancy of 300.

CERTIFICATION OF ROBERT ALLMAN

1. I, **Robert Allman**, was retained by Broadcast Music, Inc. (BMI) to visit an eating and drinking establishment known as **Da Stadium Sports Bar, 5231 Burke Rd Ste #100, Pasadena, TX** and make a written record of and a digital recording of the music that was played at the establishment.
2. On **04/01/2015** I visited **Da Stadium Sports Bar** and using a battery-powered digital recorder, I made the digital recording onto a new and unused Secure Digital or "SD" Card (the Music File).
3. I subsequently sent the original SD Card containing the recording to BMI's General Licensing Department, 10 Music Square East, Nashville, Tennessee 37203 by overnight carrier on or about April 7, 2015.

I certify that, based on my personal knowledge, and under penalty of perjury pursuant to 28 U.S.C. 1746, that the foregoing is true and correct.

DECLARATION OF REBECCA DELIUS

STATE OF Tennessee)
) s.s:
COUNTY OF Davidson)

I, REBECCA DELIUS, being duly sworn, declare as follows:

1. I am employed by Broadcast Music, Inc. ("BMI"). I am more than 18 years of age and am not a party to this action. I submit this declaration based upon my own personal knowledge.
2. I was authorized by BMI to review the Certified Infringement Report of 032615404987, dated 04/01/2015 regarding the establishment known as Da Stadium Sports Bar (the "Report").
3. I was also asked to review a recording made by Robert Allman in connection with and attached to this individual's Report (the "Recording") in order to identify the specific musical compositions contained on the Recording. Based upon my knowledge of the genre of music contained on the Recording, I listened to the Recording and was able to identify and/or confirm the musical compositions performed. My identification of these compositions is set forth on the attached copy of the Report which shows my notations to it.
4. I declare under penalty of perjury pursuant to 28 U.S.C. 1746 that the foregoing statements and the information contained on the attached Abstract are true and correct.

CERTIFICATION OF Michelle Baker
Broadcast Music, Inc.

1. I Michelle Baker am Business Operations Manager for Broadcast Music, Inc. ("BMI"). BMI licenses patented digital audio recognition technology from Shazam Entertainment Limited ("Shazam") to identify recorded music (the "Technology").
2. The Technology uses an established database of "fingerprints" of millions of sound recordings. This is accomplished by capturing a digital sample from an audio source and, using the patented algorithm, reducing the sound recording to a unique "fingerprint." The fingerprint, while not audible, is a unique numerical representation of a particular sound recording. BMI maintains a reference database of millions of individual fingerprints, and each such fingerprint has associated "metadata" denoting, among other things, the track title and recording artist for the fingerprinted recording.
3. In order to identify a particular performance of a recording, the performance in question is recorded; in the case of bars, restaurants, and other eating and drinking establishments, this is most often accomplished via a portable digital audio recorder device. The Technology then reduces each recorded performance to a fingerprint. The system then searches BMI's existing reference database of recordings for an identical fingerprint. Each fingerprint match generates an identification of title, artist and identification time.
4. BMI has set up a system for automated review and identification of music files uploaded by BMI to a Secure Web Service that permits only password-protected access to BMI authorized users.
5. When a music file is uploaded to its site via a secure file transfer protocol, BMI receives an automatic notification from the site that a new file has arrived. The technology automatically sweeps the uploaded file and the recognition system identifies the track recorded in the files and associates the correct metadata (information about the tracks), creating an electronic listing of the identifications in a data file.
6. On or about 04/07/2015, BMI's Business Affairs Department received via overnight carrier a Secure Digital Card ("SD Card") containing a digital recording made at Dugout South, on 04/06/2015 ("Music File"). The Music File was downloaded onto a BMI computer and from there uploaded to a secure application for processing. BMI generated a report containing the track title and recording artist of the songs contained in the file.
7. The records, including the original Music File, are maintained in the ordinary course of BMI's business in the Licensing Department located in BMI's Nashville office.

I certify that, based on my personal knowledge, and under penalty of perjury pursuant to 28 U.S.C. 1746, that the foregoing is true and correct.
